COMPLIMENTARY MEETING WI-FI

As a benefit of attending the 2019 ACVO Conference, the Board of Regents has approved providing wireless internet for you during the conference. A special thank you to **I-Med Animal Health** who generously co-sponsored this service.

Service will run from Wednesday, November 6th through Saturday, November 9th and will be available in the meeting areas of the hotel.

After the initial sign-in the first day, you should not need to sign-in again.

We hope this service, coupled with the schedules, proceedings, and tools on the mobile website in the 'On-Site' tab at ACVOconference.org, will help make your experience at the ACVO conference smooth and more enjoyable. Thank you for your involvement and support.
