9:30am-9:45am <i>Basic Science</i>	<u>PP Ko</u> , GG Gum, RR Carvalho, R Sun, VA Ackley	EVALUATION OF ELECTRORETINOGRAPHIC A-, B- WAVES AND PHOTOPIC NEGATIVE RESPONSE IN NEW ZEALAND WHITE RABBITS WITH RETROBULBAR OPTIC NEUROPATHY	89
9:45am-10:15am	Break with Exhibitors		

Your #1 Source for Specialty Ophthalmology Products

Introducing the NEW **TonoPen AVIA VET**
and **Keeler PSL Portable Slit Lamp**

TonoPen AVIA VET

Features the same proven accuracy as the clinically trusted TONO-PEN XL, but with a more ergonomic design, four times longer lasting battery, and larger LCD screens. The proven reliability of Reichert's applanation tonometers allows operators to take IOP measurements confidently anytime, anywhere, and in any position.

Keeler Portable Slit Lamp

- Manufactured with the strength to withstand the daily traumas of the demanding ophthalmic environment
- Precision machined aluminum chassis
- Advanced optics, x10 & x16 magnification
- Controllable illumination from maximum to zero
- Big Slit Lamp features, portable usability

Dan Scott & Associates

1:30pm	Begin sign-in for Business Meeting		

New hope for your canine patients!

Proud
Sponsor of
ACVO

Ocu-GLO Rx™ is a natural, pharmaceutical grade supplement specifically formulated by veterinary ophthalmologists for canine eye support. The twelve high-quality antioxidants in *Ocu-GLO Rx™* may help your patients with:

- PRA, IMR, SARDs and degenerative retinopathies
- Diabetes and early diabetic cataracts
- Pre and post-operative cataract surgery
- Reduction and prevention of PCO formation
- Immune-mediated uveitis, including lens-induced uveitis
- Glaucoma
- Optic neuritis
- Dry eye

Please visit our booth for more information about how you can help your patients!

Ocu-GLO Rx™ Vision Supplement*

Ocu-GLO Rx™ is exclusively manufactured and distributed by Animal Necessity, LLC

For product information email us at: info@ocuglo.com
