Exhibit Space Rental Includes

- One draped display table (**company cannot supply own tables**).
- Two chairs and one trash can.
- Booth area vacuumed for no additional fee. (No carpet needed).
- Two complimentary exhibitor badges per booth purchased (\$65/additional pass).
- General overhead lighting and climate control of the exhibit hall.

Booth Types, Construction & Sizes

- **This is a TABLE-TOP show only.** One 2.5' x 6' draped display table per booth (table sizes may vary slightly) will be supplied. **Encroachment is not allowed!**
- Exhibits and displays must be confined to the rented space (7'W x 6'D, includes side clearance). The maximum height of a table top display is 10' at the back of the booth and 4' in the front half of the booth space. Exhibits may not exceed these parameters. The aisles are common property of all exhibitors and must not be obstructed at any time. Fire code regulations prohibit exhibits from extending into aisles.
- A freestanding backdrop may be used (not to extend more than 7' in total width), or a banner may be attached to the front of the table. Booth signage is not provided. The hotel will not allow signage to hang on the walls.

Booths do not include decorations or utilities such as signage, electrical outlets, special lighting or water. Furnishings and accessories beyond what is listed are not included. Pipe and drape is not used. Hotel contact information to order audio/visual and power will be provided in confirmation materials.

Exhibitor Badges

- An exhibitor is any employee of an exhibiting company; company representatives who are qualified to answer questions about displayed products and services must be present in booths continuously during exhibit hours.
- Two registrants are included per booth space purchased. If more representatives attend, badges may be purchased for \$65 each.
- All badge list additions and changes must be submitted in writing and received by August 6, 2010. Changes will not be accepted by phone. Pre-registering representatives, keeping the ACVO updated with changes, and pre-paying for all extra badges accelerates the badge pick up process.
- Exhibitors may not share badges under any circumstances and must wear a badge to enter the exhibit hall.
- The badges are valid for access into the show and some educational sessions, but do not include access into ticketed events.

Installation and Dismantling of Exhibits

Exhibitor setup is from 6am-10am, Thursday, October 7, 2010. Thursday is the only day scheduled for setup; no exhibits may be set up before or after this time. All exhibits must be fully operational by 10am Thursday. Any booth space not claimed by 9am Thursday, October 7, 2010 may be reassigned without refund. Exhibits must remain intact and manned during exhibit hours until closing at 3pm Saturday, October 9, 2010. Early tear down or removal of merchandise after the first day of installation and before dismantling time is strictly prohibited; violation of this rule could result in a forfeiture of exhibit space and the revocation of your invitation to exhibit at the ACVO conference for one year. Exhibits must be off the floor by 6pm.

Contract, Payment, & Space Assignment

To secure booth space at the ACVO conference the completed original application **must be received** by July 30, 2010, with full payment. If registration is not received by July 30, 2010, a \$100 late fee will be added to the rates and those companies may not be included in the proceedings book. Assignments will not be made without full payment. When the ACVO accepts an application for booth space, it becomes a contract and is considered a binding agreement between the ACVO and the company submitting the application.

Space assignment is based on the date of receipt of the application and full payment, exhibitor preference, and location of competitors. Past exhibiting history is not considered in booth assignments but the immediate past year's vendors are given two weeks priority to secure booths. After April 19th, registration is opened to all interested parties. The ACVO makes the final decision regarding exhibitor placement.

Exhibitors will be notified in writing of the final placement. If the assigned space is unacceptable, the exhibitor must notify the ACVO within 10 days of receipt of the assignment to request changes. Changes are not guaranteed. No response from the exhibitor constitutes acceptance of the assigned exhibit space.

Company Marketing

Company Marketing is an integral part of the success of your show experience. We understand the value of your investment and have created a comprehensive list of enhanced marketing opportunities to assist you in generating sales and increasing your brand awareness among ACVO conference attendees.

Proceedings Advertisements

Make the most of your trade show experience, run an advertisement or 'invitation' to your booth in the ACVO proceedings book, which is collected by members who review the enclosed abstracts for years to come. The book includes the daily schedule, activities, exhibitor list, product descriptions, abstracts and necessary last-minute details needed by attendees. Ads placed in the ACVO proceedings book are sure to be noticed by attendees. Exhibitors' prices are discounted.

Ad Specifications

All ads are printed black/white or gray scale. For best results, do not use high contrast photos. Ads must be submitted black/white or gray scale via a digital file. JPEG or high resolution PDF files are preferred and will yield the best results. Ads must be formatted to the correct size, or distortion of the ad may occur (contact the ACVO office for specifications and sizes). Typesetting will not be provided by the ACVO.

Submission Deadline

Ad submission deadline is July 30, 2010. The ACVO will not refund advertising that is not included in the program due to vendors missing the artwork submission deadline and/or for those vendors who do not adhere to the submission specifications listed above. Ad copies received after July 30, 2010 may not be included in the program.

Mailing Labels

Pre-show and post-show mailings can extend your conference presence. To assist exhibitors in making the most of the conference experience, the ACVO attendee digital mailing lists are available for sale for \$65. Names and mailing addresses for pre-registered attendees are included in the pre-show printed mailing list. The post-show list includes names and addresses of all attendees, including walk-ups. The pre-show list should be available by September 22, 2010, and the post-show list should be available within two weeks after conference ends.

Attendee Packet Inserts

Every ACVO attendee receives a registration packet, which is a great place to insert a promotional piece. An average 8" x 10" insert is \$850 or \$1.50 per attendee (inserts limited to five companies).

Print Advertising

The ACVO newsletter, directory, and Journal of Ophthalmology are excellent ways to build a strong presence with ophthalmologists throughout the year. The ACVO newsletter runs twice per year and targets 340 veterinary ophthalmologists plus 60 ophthalmology residents, primarily in the U.S. Advertisements in the journal will help you reach over 1,800 general practice veterinarians in the United States, Europe, and Asia. Contact the ACVO office for deadlines and pricing.

Promotional Activities

All activities involving conference attendees must be scheduled, organized, and coordinated through the ACVO. This includes receptions, hospitality suites, wet labs, and CE among others.

The ACVO reserves the right to control the hours of operation.

Silent Auction

Past ACVO Vision for Animals Foundation auctions have been successful due to the generosity of sponsors and buyers. Help us prepare for another successful auction at the 2010 conference by making a donation. The Foundation's goal is to raise enough money to develop a self-funding grant program. It has already funded more than \$175,000 in research grants in the past seven years! Your company may wish to participate by donating an item for the auction. This donation is tax-deductible and will attract attention to your company and products. Cash and/or personal donations are also welcome.

Thank you again for your past and future participation. A donor list for 2009 was included in the December 2009 Diplomat newsletter and on the ACVO web site. Make sure your company is on this list for 2010! To donate, please contact the ACVO office at 208-466-7624.
